PUBLIC HEARING

**Connecticut Association of Health Plans
Testimony Regarding
S.B. No. 364 AN ACT CONCERNING HEALTH INSURANCE.**

Respectfully, the Connecticut Association of Health Plans would like to flag S.B. 364 for future input from the health insurance industry. As currently drafted, the bill requires the Insurance Department to conduct a study concerning health insurance issues in the state. Given the propensity for study bills to be further amended with substantive language, particularly during a short session, we would like to request for the record an opportunity for continued dialogue should such a situation arise.

Thank you for your consideration.
